PROPOSED ACTION ON REGULATIONS

Information contained in this document is published as received from agencies and is not edited by Thomson West.

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303 and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

CONFLICT OF INTEREST CODES

ADOPTION/AMENDMENT

Santa Cruz–Monterey Managed Medical
Care Commission

A written comment period has been established commencing on **August 25, 2006** and closing on **October 9, 2006**. Written comments should be directed to the Fair Political Practices Commission, Attention Teri Rindahl, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45–day comment period, the proposed conflict of interest code(s) will be submitted to the Commission’s Executive Director for his review; unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director or the Commission will review the above–referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the

proposed code(s) to the agency for revision and re–submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code(s). Any written comments must be received no later than **October 9, 2006**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

COST TO LOCAL AGENCIES

There shall be no reimbursement for any new or increased costs to local government which may result from compliance with these codes because these are not new programs mandated on local agencies by the codes since the requirements described herein were mandated by the Political Reform Act of 1974. Therefore, they are not “costs mandated by the state” as defined in Government Code Section 17514.

EFFECT ON HOUSING COSTS AND BUSINESSES

Compliance with the codes has no potential effect on housing costs or on private persons, businesses or small businesses.

AUTHORITY

Government Code Sections 82011, 87303 and 87304 provide that the Fair Political Practices Commission as the code reviewing body for the above conflict of interest codes shall approve codes as submitted, revise the proposed code and approve it as revised, or return the proposed code for revision and re–submission.

REFERENCE

Government Code Sections 87300 and 87306 provide that agencies shall adopt and promulgate conflict of interest codes pursuant to the Political Reform Act and amend their codes when change is necessitated by changed circumstances.

CONTACT

Any inquiries concerning the proposed conflict of interest code(s) should be made to Teri Rindahl, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322–5660.

AVAILABILITY OF PROPOSED CONFLICT OF INTEREST CODES

Copies of the proposed conflict of interest codes may be obtained from the Commission offices or the respective agency. Requests for copies from the Commission should be made to Teri Rindahl, Fair Political Practices Commission, 428 J Street, Suite 620, Sacramento, California 95814, telephone (916) 322-5660.

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, pursuant to the authority vested in it by Sections 82011, 87303 and 87304 of the Government Code to review proposed conflict of interest codes, will review the proposed/amended conflict of interest codes of the following:

AMENDMENT

STATE AGENCY: Department of Community
Services and Development

A written comment period has been established commencing on **August 25, 2006** and closing on **October 10, 2006**. Written comments should be directed to the Fair Political Practices Commission, Attention **Trish Mayer**, 428 J Street, Suite 620, Sacramento, California 95814.

At the end of the 45-day comment period, the proposed conflict of interest code(s) will be submitted to the Commission's Executive Director for his review, unless any interested person or his or her duly authorized representative requests, no later than 15 days prior to the close of the written comment period, a public hearing before the full Commission. If a public hearing is requested, the proposed code(s) will be submitted to the Commission for review.

The Executive Director or the Commission will review the above-referenced conflict of interest code(s), proposed pursuant to Government Code Section 87300, which designate, pursuant to Government Code Section 87302, employees who must disclose certain investments, interests in real property and income.

The Executive Director or the Commission, upon his or its own motion or at the request of any interested person, will approve, or revise and approve, or return the proposed code(s) to the agency for revision and re-submission within 60 days without further notice.

Any interested person may present statements, arguments or comments, in writing to the Executive Director of the Commission, relative to review of the proposed conflict of interest code(s). Any written com-

ments must be received no later than **October 10, 2006**. If a public hearing is to be held, oral comments may be presented to the Commission at the hearing.

TITLE 2. FAIR POLITICAL PRACTICES COMMISSION

NOTICE IS HEREBY GIVEN that the Fair Political Practices Commission, under the authority vested in it

by section 83112 of the Government Code, proposes to adopt, amend, or repeal regulations in title 2, division 6 of the California Code of Regulations. The Fair Political Practices Commission will consider the proposed regulations at a public hearing on or after October 5, 2006 at 9:45 a.m. Written comments must be received at the Commission offices no later than 5:00 p.m. on October 3, 2006.

BACKGROUND/OVERVIEW

The proposed amendments to regulation 18216 and regulation 18421.1 under the Political Reform Act (Government Code sections 81000–91014) relate to enforceable promises to make a payment, and disclosure of the making and receipt of contributions, respectively.

The proposed changes to subdivision (c) of regulation 18216 are intended to specify that contributions to be paid electronically on an installment basis for a specified period (or an on-going basis) are not considered enforceable promises to pay under the Act. (An installment contribution is a contribution made up of a series of payments at regular intervals over a period of time. For instance, a contribution of \$90 to be paid over three months at \$30 each month.)

The proposed changes to subdivision (e) of regulation 18421.1 are intended to clarify how to report contributions paid electronically on an *installment basis* for a specified period of time, or an on-going basis. An installment contribution is a contribution made up of a series of payments at regular intervals over a period of time. (For instance, a contribution of \$90 to be paid over three months at \$30 each month.)

Regulation 18421.1(e) deals specifically with electronic contributions, or contributions made through wire transfer, credit card transaction, debit account transaction, or similar electronic payment option, including those made via the Internet. This subdivision states that in the case of a *single* monetary contribution made by any of the above electronic payment options, the date the contribution is “received” is the date the candidate or committee, or the agent of the candidate or committee, obtains possession or has control of the debit/credit account information or other payment information by which the contribution is made, or on the date the candidate or committee, or agent of the candidate or committee, obtains possession or has control of the funds, whichever is earlier.

The proposed changes to regulation 18421.1(e) would clarify, in the case of contributions paid electronically on an *installment basis*, when a contribution is received and what amount is to be reported.

REGULATORY ACTION

The Commission will consider amending regulation 18216, subdivision (c) by adding language to clarify that a person does not make an enforceable promise to make a payment if he or she agrees to make a contribution by installment payments through wire transfer, credit card transaction, debit account transaction or similar electronic payment, or otherwise agrees, orally or in writing, to make a future payment except as provided by law.

The Commission will consider amending 2 Cal. Code of Regs. section 18421.1 by adding language to subdivision (e) to clarify that in the case of installment payments, the contributions are received when the candidate or committee, or agent of the candidate or committee, obtains possession or control of the funds for each installment payment. In addition, the amendments would specify that the contribution reported is the amount of each installment payment.

The Commission may adopt the language noticed in these proposed regulations, or it may choose new language to implement its decisions concerning the issues identified above or related issues.

FISCAL IMPACT STATEMENT

Fiscal Impact on Local Government. These regulations will have no fiscal impact on any local entity or program.

Fiscal Impact on State Government. These regulations will have no fiscal impact on any state entity or program.

Fiscal Impact on Federal Funding of State Programs. These regulations will have no fiscal impact on the federal funding of any state program or entity.

AUTHORITY

Section 83112 provides that the Fair Political Practices Commission may adopt, amend, and rescind rules and regulations to carry out the purposes and provisions of the Political Reform Act.

REFERENCE

The purpose of these regulations is to implement, interpret and make specific Government Code sections 82015, 82025, 82048.7, 84203, 84211 and 84306.

CONTACT

Any inquiries should be made to Emelyn Rodriguez, Fair Political Practices Commission, 428 J Street, Suite 800, Sacramento, CA 95814; telephone (916)

322-5660 or 1-866-ASK-FPPC. Proposed regulatory language can be accessed at www.fppc.ca.gov.

ADDITIONAL COMMENTS

After the hearing, the Commission may adopt or repeal the proposed regulations if they remain substantially the same as described or as in the text originally made available to the public. The Commission may make changes to the proposed regulations before their adoption or repeal.

TITLE 10. DEPARTMENT OF INSURANCE

NOTICE OF PROPOSED ACTION AND NOTICE OF PUBLIC HEARING

Amend Title 10, California Code of Regulations, Chapter 5, Subchapter 7.6, Sections 2696.1 through 2696.10 Insurance Mediation Program

CDI File No. RH03030123 Date: August 11, 2006

SUBJECT OF HEARING

Notice is hereby given that the California Insurance Commissioner (the Commissioner) proposes to adopt the regulation described below after considering comments from the public. The Commissioner proposes to amend Title 10, California Code of Regulations, Chapter 5, Subchapter 7.6 Sections 2696.1 through 2696.10 Insurance Mediation Program. The proposed amendments will add automobile collision and physical damage disputes to the Department's mediation program. The proposed amendments will also update the regulations to include definitions of new terms, delete certain procedural sections and clarify existing procedures.

AUTHORITY AND REFERENCE

Per Government Code section 11349(b) "Authority" means the provision of law which permits or obligates the agency to adopt a regulation. The authority for the proposed amendments is the express authority provided by Insurance Code section 10089.70 which states that the Department shall establish a program for the mediation of disputes arising under automobile collision coverage or automobile physical damage coverage. Insurance Code section 10089.83 also provides the Department with express authority to promulgate regulations to administer the mediation program.

"Reference" means the statute, court decision, or other provision of law which the agency implements, interprets, or makes specific when adopting a regulation. The following statutes are referenced as being made specific by the proposed regulation. The proposed amendments are implementing and making specific California Insurance Code sections 10089.70, 10089.71, 10089.72, 10089.74, 10089.75, 10089.76, 10089.77, 10089.78, 10089.79, 10089.80, 10089.81, 10089.82, and 10089.83.

HEARING DATES AND LOCATIONS

The Commissioner will hold a public hearing to provide all interested persons an opportunity to present statements or arguments, either orally or in writing, with respect to this regulation on the following dates at the following locations.

October 10, 2006

INFORMATIVE DIGEST

Summary of Existing Law

California Insurance Code section 10089.70 et seq provides for the establishment of a mediation program for disputes arising out of certain eligible types of claims. SB 708 effective January 1, 2002 amended the existing law to include automobile collision coverage and automobile physical damage coverage disputes as disputes appropriate for the mediation program. SB 64, effective on August 30, 2004 amended existing law to expand the mediation program to include residential property losses, other than earthquake losses, for which the Governor has declared a state of emergency pursuant to Government Code Section 8558. The law was again modified with the enactment of SB 2 in 2005 effective January 1, 2006 that replaced the terms "residential property losses" with "homeowners losses" due to a fire. The current mediation regulations only pertain to Earthquake Mediation and need to be amended to include homeowners and automobile claims.

The proposed amendments also define terms relating to the addition of auto claims to the mediation program and clarify some existing procedures in the mediation program.

POLICY STATEMENT OVERVIEW

In order to comply with the mandate of SB 708, the Commissioner has determined that these amendments are necessary for the Department to properly administer the mediation program as well as to maintain consistency with Insurance Code section 10089.70. By specifically providing for mediation of automobile collision coverage and automobile physical damage coverage these amendments help foster mediation in the appropriate disputes as well as help to preserve resources.

Further, amendments to the existing mediation procedures were necessary to make clear the procedure for initiating the mediation process, and to clarify existing procedures.

Effect of Proposed Action

As outlined in detail above the proposed amendments will make implement California Insurance Code section 10089.70 by specifically providing for mediation in automobile collision coverage and automobile physical damage coverage disputes.

The proposed amendments provide for greater ease and consistency in conducting mediations for automobile collision coverage and automobile physical damage coverage disputes. Further, these amendments will also ultimately preserve resources by preventing unnecessary litigation on a case by case basis.

MANDATES ON LOCAL AGENCIES OR
SCHOOL DISTRICTS OR COSTS WHICH
MUST BE REIMBURSED PURSUANT
TO GOVERNMENT CODE SECTIONS
17500 THROUGH 17630

The proposed amendments do not impose any mandate on local agencies or school districts. There are no costs to local agencies or school districts for which Part 7 (commencing with Section 17500) of Division 4 of the Government Code would require reimbursement.

COST OR SAVINGS TO ANY STATE AGENCY

The Commissioner has determined that the proposed amendments will result in no cost or savings to any state agency, no cost to any local agency or school district that is required to be reimbursed, no other nondiscretionary cost or savings imposed on local agencies, and no cost or savings in federal funding to the State.

ECONOMIC IMPACT ON BUSINESSES AND
THE ABILITY OF CALIFORNIA BUSINESSES
TO COMPETE WITH OTHER STATES

The Commissioner has made an initial determination that amendment of these regulations may have a significant, statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The Commissioner has not considered proposed alternatives that would lessen any adverse economic impact on business and invites you to submit proposals. Submissions may include the following considerations:

- (i) The establishment of differing compliance or reporting requirements or timetables that take into account the resources available to businesses.
- (ii) Consolidation or simplification of compliance and reporting requirements for businesses.
- (iii) The use of performance standards rather than prescriptive standards.
- (iv) Exemption or partial exemption from the regulatory requirements for businesses.

The types of businesses affected by the proposed amendments are insurers licensed to transact private passenger automobile insurance in the State of California. The proposed amendments require certain disputes involving homeowners and automobile collision and physical damage claims to be mediated in a nonbinding procedure before a neutral third party.

POTENTIAL COST IMPACT ON PRIVATE
PERSONS OR BUSINESSES

The Department is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

EFFECT ON JOBS IN CALIFORNIA

The Commissioner is required to assess any impact the amendments may have on the creation or elimination of jobs in the State of California, the creation of new businesses, the elimination of businesses, and the expansion of businesses currently operating in the state. The Commissioner does not foresee that the proposed amendments will have an impact on any of the above but invites interested parties to comment on this issue.

IMPACT ON HOUSING COSTS

The matters proposed herein will have no significant effect on housing costs.

ALTERNATIVES

The Commissioner must determine that no reasonable alternative considered by the Commissioner or that has otherwise been identified and brought to the attention of the Commissioner would be more effective in carrying out the purposes for which the amendments are proposed or would be as effective as and less burdensome to affected private persons than the proposed action. The Commissioner, however, invites public comment on alternatives to the amendments.

Performance standards were considered and rejected as these amendments to include automobile collision coverage and automobile physical damage coverage disputes to the mediation program are specifically required. As such, the subject matter does not lend itself to performance standards.

Finally, the Commissioner continues to study alternatives.

IMPACT ON SMALL BUSINESS

The matters proposed herein will only affect insurance companies and therefore will not affect small business. (Gov. Code Section 11342.610, subd. (b), para. (2).)

COMPARABLE FEDERAL LAW

There are no existing federal regulations or statutes comparable to the proposed regulation.

TEXT OF REGULATIONS AND STATEMENT OF REASONS

The Commissioner has prepared an initial statement of reasons that sets forth the reasons for the proposed action. Upon request, the initial statement of reasons will be made available for inspection and copying. Requests for the initial statement of reasons or questions regarding this proceeding should be directed to the contact person listed above.

The file for this proceeding, which includes a copy of the proposed amendments, the statement of reasons, the information upon which the proposed action is based, and any supplemental information contained in the rulemaking file, is available for inspection and copying **by prior appointment** at 45 Fremont Street, 21st Floor, San Francisco, California 94105, between the hours of 9:00 a.m. and 4:30 p.m., Monday through Friday. Written requests for the rulemaking file or questions regarding this proceeding should be directed to the contact persons listed above.

FINAL STATEMENT OF REASONS

Upon **written or e-mail** request, the final statement of reasons will be made available for inspection and copying once it has been prepared. Written requests for the final statement of reasons should be directed to the contact person listed above.

AUTOMATIC MAILING

A copy of this notice, including the informative digest, which contains the general substance of the proposed amendments, will automatically be sent to all persons on the Commissioner's mailing list.

WEBSITE POSTINGS

Documents concerning this proceeding are available on the Department's website. To access them, go to <http://www.insurance.ca.gov>. Near the bottom of the page, under "Select a Topic" click on "Consumers". Scroll down to the heading "Regulatory Activity." In this section, scroll down until you see the subheading "Proposed Regulations — Search." Click on the "Proposed Regulations—Search" link. When the "Search" screen appears, you may choose to find the documents by either conducting a search or by browsing for them by name.

To search, enter the Department's regulation file number for these regulations in the "Search for" field. Alternatively, search using as your search term the California Insurance Code number of a code section

that the regulations implement (for instance, "10089"), or search by key word ("Earthquake or mediation" for example). Then, click on the "submit" button to display links to the various filing documents."

To browse, click on the "Browse All Regulations" button near the bottom of the screen. A list of the names of regulations for which documents are posted will appear. Find in the list the "Earthquake Dispute Mediation" link, and click it. Links to the documents associated with these regulations will then be displayed.

AVAILABILITY OF MODIFIED TEXT OF REGULATION

If the regulations adopted by the Department differ from but are sufficiently related to the original text, the Department will make the modified text available to the public for at least 15 days prior to the date of adoption. Interested persons should request a copy of these regulations prior to adoption from the contact person listed above.

TITLE 16. BOARD OF PHARMACY

NOTICE IS HEREBY GIVEN that the Board of Pharmacy is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments relevant to the action proposed in writing. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board of Pharmacy at its office not later than 5:00 p.m. on October 9, 2006.

The board does not intend to hold a hearing in this matter. If any interested party wishes that a hearing be held, he or she must make the request in writing to the board. The request must be received in the board office not later than 5 p.m. on September 25, 2006.

The Board of Pharmacy, upon its own motion or at the instance of any interested party, may thereafter adopt the proposal substantially as described below or may modify such proposal if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by section 4005 of the Business and Professions Code, and to implement, interpret or make specific section 4005 of the Business and Professions Code, the

Board of Pharmacy is considering changes to Division 17 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Business and Professions Code section 4005 generally authorizes the board to amend rules and regulations pertaining to the practice of pharmacy.

The board proposes the repeal of Section 1717.2 in Title 16 of the California Code of Regulations. This section requires pharmacies that use and share electronic files with other pharmacies, to notify their customers that the customer can choose not to have their files shared with other pharmacies. This regulation is obsolete given the enactment of state and federal law that provides protection and confidentiality of patient medical records.

In addition repealing this regulation removes a barrier that prevents pharmacists, in certain situations, from having full knowledge of all the prescription drugs that a patient is taking. Removing this barrier will result in better patient care while protecting patient medical record privacy. Also, this regulation is in conflict with reporting requirements detailed in the Health and Safety Code.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None.

Business Impact: The proposed regulatory action would repeal a regulation that requires pharmacies that share electronic files with other pharmacies, to notify their customers that the customer can choose not to have their files shared with other pharmacies. Because the regulation is being repealed, the Board of Pharmacy has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses: The Board of Pharmacy has determined that this regulatory proposal will not have a significant impact on the creation of jobs or

new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business: The Board of Pharmacy is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

The Board of Pharmacy has made an initial determination that the proposed regulatory action would not have a significant adverse economic impact directly affecting small business. The Board of Pharmacy has made this determination because the proposed regulatory action would repeal a regulation that requires pharmacies that share electronic files with other pharmacies, to notify their customers that the customer can choose not to have their files shared with other pharmacies.

CONSIDERATION OF ALTERNATIVES

The Board of Pharmacy must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present written statements relevant to the above determinations to the Board of Pharmacy at the above-mentioned address.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Board of Pharmacy has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained upon request from the Board of Pharmacy at 1625 N Market Blvd. N219, Sacramento, California 95834, or from the Board of Pharmacy Web site (www.pharmacy.ca.gov).

TITLE 16. BOARD OF PHARMACY

NOTICE IS HEREBY GIVEN that the Board of Pharmacy is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments relevant to the action proposed in writing. Written comments, including those sent by mail, facsimile, or e-mail to the addresses listed under Contact Person in this Notice, must be received by the Board of Pharmacy at its office not later than 5.00 p.m. on October 10, 2006.

The board does not intend to hold a hearing in this matter. If any interested party wishes that a hearing be held, he or she must make the request in writing to the board. The request must be received in the board office not later than 5 p.m. on September 24, 2006.

The Board of Pharmacy, upon its own motion or at the instance of any interested party, may thereafter adopt

the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

Authority and Reference: Pursuant to the authority vested by section 4005 of the Business and Professions, and to implement, interpret or make specific sections 4022.5, 4201, and 4160 of the Business and Professions Code, the Board of Pharmacy is considering changes to Division 17 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT
OVERVIEW

Business and Professions Code section 4005 generally authorizes the board to amend rules and regulations pertaining to the practice of pharmacy.

The objective of this proposal is to provide designated representatives in charge (DRC) and the wholesaler premises with information regarding pharmacy law and the board's expectations for the practice of pharmacy within legal requirements. These are the elements reviewed by the board during unannounced inspections. A completed self-assessment form would serve as a reference for the DRC to use when managing wholesaler operations. Use of the self-assessment form in wholesalers could potentially reduce the need for DRC's to call the board with questions regarding pharmacy law.

The board is proposing to adopt section 1784 to require that the DRC of each wholesaler complete a self-assessment form according to specific criteria.

Additionally, section 1784 would detail the components of the self-assessment form for evaluating compliance with state and federal pharmacy laws regarding the condition of a wholesaler facility, DRC and owner responsibilities, drug stock, sale or transfer of drugs, delivery of drugs, policies and procedures and record keeping requirements. Specific sections referenced in the self assessment document include citations of the Business and Professions Code (B & P), California Code of Regulations (CCR), Health and Safety Code (H & S) and Code of Federal Regulations (CFR).

The proposed regulation also specifies under what circumstances this self-assessment must be completed and the retention schedule for the form.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

Nondiscretionary Costs/Savings to Local Agencies: None.

Local Mandate: None.

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None.

Business Impact: The board determined that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting California business enterprises and individuals, including the ability of California businesses to compete with businesses in other states.

This action would provide the DRC with the specific compliance information that the board seeks when conducting a wholesaler inspection. The requirements for conducting a wholesaler outlined in the self-assessment are not new requirements. Wholesalers are currently required to comply with these laws.

The board intends that the DRC would actually determine the extent to which the wholesalers is or is not in compliance with Pharmacy Law, make necessary adjustments to bring the wholesaler into compliance and thereby improve the wholesaler's performance in meeting state and federal requirements. This would benefit public safety. Moreover, the assessment form provides wholesalers and the DRC with the knowledge they need to comply with state and federal requirements for licensed wholesalers.

Impact on Jobs/New Businesses: The Board of Pharmacy has determined that this regulatory proposal will not have a significant impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business: The Board of Pharmacy is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

The proposal would necessitate a self-assessment by the DRC of the wholesaler premises every odd-numbered year or in the event of a change of location of the licensed premises or change in the DRC. This self-assessment form would be a tool to aid the DRC and the wholesaler in general in this regard.

Effect on Housing Costs: None.

EFFECT ON SMALL BUSINESS

The Board of Pharmacy has made an initial determination that the proposed regulatory action would not have a significant adverse economic impact directly affecting small business.

CONSIDERATION OF ALTERNATIVES

The Board of Pharmacy must determine that no reasonable alternative which it considered either would be more effective than or as effective as and less burdensome on affected private persons than the proposal described.

Any interested person may present written statements relevant to the above determinations to the Board of Pharmacy at the above-mentioned address.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Board of Pharmacy has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons may be obtained upon request from the Board of Pharmacy at 1625 N. Market Blvd. N219, Sacramento, California 95834, or from the Board of Pharmacy Web site (www.pharmacy.ca.gov).

TITLE 16. VETERINARY MEDICAL BOARD

NOTICE IS HEREBY GIVEN that the Veterinary Medical Board (hereinafter "board") is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the San Diego Wild Animal Park, Arnold and Mabel Beckman Center for Conservation Research located at 15600 San Pasqual Valley Road, Escondido, CA 92027 at 10:00 a.m. on Wednesday, October 18, 2006. Written comments, including those sent by mail, facsimile, or e-mail to the address listed under Contact Person in this Notice, must be received by the board at its office not later than 5:00 p.m. on October 10, 2006, or must be received by the board at the hearing.

The board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

AUTHORITY & REFERENCE

Pursuant to the authority vested by Section 4808 of the Business and Professions Code, and to implement, interpret or make specific Sections 4836 and 4840 of said Code, the board is considering changes to Division

20 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law authorizes Registered Veterinary Technicians (RVT) and unregistered assistants to perform specific duties under the direct or indirect supervision of a licensed veterinarian. This regulatory proposal will amend existing regulation and adopt a new regulation relating to the task of administering controlled substances under different levels of supervision.

1. Amend Section 2036

Existing regulations allow veterinarians to delegate specific tasks under direct or indirect supervision. Until recently, it was assumed by the Board and the profession that the delegation of controlled substances to either an RVT or unregistered assistant fell within this regulatory authority. In a legal opinion dated April 19, 2006 the Board's legal counsel determined that this is not the case. The Federal Uniform Controlled Substances Act (UCSA) restricts such administration to license veterinarians unless it is delegated under "immediate supervision".

This proposed regulation would adopt a new section that would allow an RVT to administer controlled substances under indirect supervision. Indirect supervision means that the veterinarian is not physically present at the location where the drugs are being administered but has given either written or oral instructions (direct orders) for treatment of the animal patient after the animal has been examined by the veterinarian.

2. Amend Section 2036.5

Existing regulations allow veterinarians to delegate specific tasks to unregistered assistants under direct or indirect supervision of a veterinarian or direct supervision of an RVT. Direct supervision means that the veterinarian or RVT is physically present at the location where the tasks are being performed and is easily available and the animal has been examined by the veterinarian. This proposed regulation would amend the regulation to allow an unregistered assistant to administer controlled substances under the direct supervision of a licensed veterinarian.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses:

The board has determined that this regulatory proposal will not have any impact on the creation of jobs or the elimination of jobs or impact the creation of or eliminate existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Veterinary Medical Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The board has determined that the proposed regulations would not affect small businesses. This proposal provides an alternative to veterinary practices that want to utilize existing staff to administer controlled substances.

The laws in the Federal UCSA have been in effect for many years but were mostly directed at the human medical field. A heightened awareness of the need for pain medication for animals over the past few years has increased the use of controlled substances in veterinary medicine for pain control and has increased the use of RVTs and lay staff under indirect supervision to administer such paid medication after hours and on weekends.

The legal opinion dated April 19, 2006, determined that there is some unintentional conflict between current practice in California and existing law. Based on testimony received at a public hearing in April 2006, the Board determined that is common practice for veterinarians to delegate the administration of pain medications to RVTs and lay staff (unregistered assistants) under indirect supervision because they and the Board believed that it was lawful based on current law in California.

If this regulatory proposal is not approved, animals will suffer due to a lack of staff available to administer such pain medications. The Board believes that the current interpretation of the Federal UCSA negatively im-

pacts all veterinary hospitals (businesses) throughout California, because it would require veterinarians be present during every administration of a controlled substance. Current staffing levels make this requirement impossible.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained at the hearing or prior to the hearing upon request from the Veterinary Medical Board at 1420 Howe Avenue, Suite 6, Sacramento, CA 95825-3228.

AVAILABILITY AND LOCATION OF THE FINAL STATEMENT OF REASONS AND RULEMAKING FILE

All the information upon which the proposed regulations are based is contained in the rulemaking file which is available for public inspection by contacting the person named below.

TITLE 16. VETERINARY MEDICAL BOARD

NOTICE IS HEREBY GIVEN that the Veterinary Medical Board (hereinafter "board") is proposing to take the action described in the Informative Digest. Any person interested may present statements or arguments orally or in writing relevant to the action proposed at a hearing to be held at the San Diego Wild Animal Park, Arnold and Mabel Beckman Center for Conservation Research located at 15600 San Pasqual Valley Road, Escondido, CA 92027 at 10:15 a.m. on Wednesday, October 18, 2006. Written comments, including those sent by mail, facsimile, or e-mail to the address listed under Contact Person in this Notice, must be received by the board at its office not later than 5:00 p.m. on October 10, 2006, or must be received by the board at the hearing.

The board, upon its own motion or at the instance of any interested party, may thereafter adopt the proposals substantially as described below or may modify such proposals if such modifications are sufficiently related to the original text. With the exception of technical or grammatical changes, the full text of any modified proposal will be available for 15 days prior to its adoption from the person designated in this Notice as contact person and will be mailed to those persons who submit written or oral testimony related to this proposal or who have requested notification of any changes to the proposal.

AUTHORITY & REFERENCE

Pursuant to the authority vested by Section 4808 of the Business and Professions Code, and to implement, interpret or make specific Sections 4842.5 and 4905 of

said Code, the board is considering changes to Division 20 of Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Existing law authorizes the Veterinary Medical Board to collect fees necessary to carry out the Boards mandate. In addition, the Board is authorized to retain a maximum balance equal to 10 months of expenditures in its contingency fund.

1. Amend Section 2070

Existing regulations authorize the Board to collect fees in order to carry out its mandate and to maintain an adequate balance in the contingency fund. This proposed regulatory change would increase fees for the Veterinary Medical Board as follows:

- (a) The purpose of this regulation is to increase the eligibility review fee for all examinations from \$65 to \$100.
- (b) The purpose of this regulation is to increase the fee for the California state board examination from \$140 to \$150.
- (c) The purpose of this regulation is to increase the fee for the veterinary law examination from \$35 to \$50.
- (d) The purpose of this regulation is to increase the initial license fee for veterinary licenses issued by the Veterinary Medical Board for one year or more from \$225 to \$250 and to increase the initial license fee for less than one year from \$112.50 to \$125.
- (e) The purpose of this regulation is to increase the license renewal fee for veterinary licenses issued by the Veterinary Medical Board from \$225 to \$250.

2. Amend Section 2071

Existing regulations authorize the Board to collect fees in order to carry out its mandate and to maintain an adequate balance in the contingency fund. This proposed regulatory change would increase fees for the Registered Veterinary Technician Committee as follows:

- (a) The purpose of this regulation is to increase the application eligibility review fee for candidates applying for the California registered veterinary technician examination from \$75 to \$100.
- (b) The purpose of this regulation is to establish a specific fee for the registered veterinary technician examination of \$150.

- (c) The purpose of this regulation is to increase the one-year or more initial registration fee for veterinary technicians from \$75 to \$100 and to increase the initial registration fee for less than one year from \$37.50 to \$50.
- (d) The purpose of this regulation is to increase the biennial renewal fee for registered veterinary technicians from \$75 to \$100.
- (e) The purpose of this regulation is to establish a delinquent fee for registered veterinary technicians of \$25.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17561 Requires Reimbursement: None

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses:

The board has determined that this regulatory proposal will not have any impact on the creation of jobs or the elimination of jobs or impact the creation of or eliminate existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Veterinary Medical Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Effect on Housing Costs: None

EFFECT ON SMALL BUSINESS

The board has determined that the proposed regulations would not significantly affect small businesses.

This regulation may have an insignificant impact only on those businesses who pay the examination, licensing, and registration fees for their employees.

The Board is not increasing any fees relative to veterinary business (premises) including registration or renewal fees.

CONSIDERATION OF ALTERNATIVES

The Board must determine that no reasonable alternative it considered to the regulation or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.

INITIAL STATEMENT OF REASONS AND INFORMATION

The Board has prepared an initial statement of the reasons for the proposed action and has available all the information upon which the proposal is based.

TEXT OF PROPOSAL

Copies of the exact language of the proposed regulations and of the initial statement of reasons, and all of the information upon which the proposal is based, may be obtained at the hearing or prior to the hearing upon request from the Veterinary Medical Board at 1420 Howe Avenue, Suite 6, Sacramento, CA 95825-3228.

GENERAL PUBLIC INTEREST

DEPARTMENT OF HEALTH SERVICES

NOTICE OF GENERAL PUBLIC INTEREST THE CALIFORNIA DEPARTMENT OF HEALTH SERVICES INTENT TO REVISE REIMBURSEMENT METHODOLOGY FOR DURABLE MEDICAL EQUIPMENT

The California Department of Health Services (CDHS) is issuing this public notice to provide information regarding revisions to the Medi-Cal reimbursement rates for Durable Medical Equipment (DME). CDHS proposes to implement the revised reimbursement methodology effective September 1, 2006, pursuant to recent amendments to California Welfare & Institutions Code section 14105.48.

Currently, CDHS limits reimbursement for DME billed to the Medi-Cal program utilizing codes without a specific maximum allowable rate to the lesser of the following:

- (1) The amount billed; see California Code of Regulations section, tit. 22, section 51008.1.
- (2) The invoice cost plus a percentage markup.
- (3) The manufacturer's suggested retail purchase price (MSRP) reduced by a percentage discount not to exceed 20 percent.

Beginning on September 1, 2006, CDHS will change the calculation of Item (3), above. Formerly, CDHS reduced the MSRP by a discount ranging from ten to a maximum of twenty percent (20%) for most DME, in particular, for wheelchairs. CDHS did not specify provider documentation in the statute.

The new method clarifies that a provider must document the MSRP by providing a photocopy of the page from a printed catalog or a printed copy of an electronic catalog page showing the price prior to June 1, 2006. CDHS will reduce the catalog price by an amount up to twenty per cent (20%) for most DME. However, for a

wheelchair and its accessories, CDHS will reduce the catalog by an amount up to fifteen percent (15%) discount, if the DME provider contracts with or employs a qualified rehabilitation professional. The definition of a qualified rehabilitation specialist is found in Welfare and Institutions Code section 14105.485.

In addition CDHS will use national Healthcare Common Procedure Coding System (HCPCS) codes for reimbursement of oxygen delivery systems and oxygen contents with an effective date of January 1, 2007. CDHS will determine the reimbursement based on the lowest of the following:

- (1) The amount billed.
- (2) Eighty percent (80%) Medicare rate for the same item.
- (3) The CDHS negotiated contract price plus a markup.

The full text of the changes is available from CDHS.

BOARD OF EDUCATION

High Priority Schools Grant Program

The High Priority Schools Grant Program (HPSGP) is intended to assist the lowest performing schools in the state in raising student achievement by offering additional resources targeted at student performance. In or-

der to retain grant funds from year to year, schools must achieve growth targets each year of implementation. Other sanctions are also available to the State Superintendent of Public Instruction and the State Board of Education if schools do not meet their growth targets. The Education Code provides that if a school fails to show "significant growth, as determined by the state board," the superintendent shall 1) require the school district to enter into a contract with a school assistance and intervention team, or 2) "assume all the legal rights, duties, and powers of the governing board with respect to the school." (Education Code section 52055.650(g)) The specific purpose of these proposed amendments is to interpret and make specific the "significant growth" concept articulated in Education Code section 52055.650(g), by providing schools with an alternative means of demonstrating significant growth in the absence of a valid Academic Performance Index (API) in any year of participation in the program.

CONTRACTORS STATE LICENSE BOARD

Credit for Experience

CSLB is repealing Title 16 section 829, which gave applicants for a contractor's license up to five percentage points for experience if the applicant failed the examination to receive a license. The Board has determined this bonus for experience is no longer necessary and may result in otherwise unqualified individuals receiving a license. The initial reasons for enacting section 829 in 1990 were: a) setting a passing point for a licensing examination was an imprecise science, b) experience credit is an alternative means to establishing an applicant's minimum competency, c) experienced applicants lacking education or language skills perform poorly on examinations and d) rescheduling applicants to take the examination is an inconvenience for applicants and an expense for the Board. The Board determined these reasons no longer justify the credit.

CSLB now uses a specific scientific procedure to determine passing scores for licensing examinations. A representative sample determines the passing score for each trade examination and evaluates each examination question. This methodology is in compliance with DCA's Examination Validation Policy mandated by Business & Professions Code section 139.

Since the implementation of the testing program, CSLB has expanded and improved the testing program and hired specialists to ensure the test is fair. CSLB no longer believes an alternative method to establish minimum competency to receive a license is warranted.

CSLB has also implemented a Computer Assisted Testing program ("CAT") to assist applicants qualifying for reasonable accommodations pursuant to the Americans with Disabilities Act and provides translators for applicants for whom English is a second language. Applicants have up to 18 months to pass the examinations before an applicant is required to submit a new application. Each failure results in a printed breakdown of an applicant's score, giving each applicant an opportunity to study the weak areas.

Finally, since the original implementation of the test, the administration of the test has become more streamlined. Applicants who reschedule or retake the test pay a \$50 rescheduling fee that CSLB believes offsets the administrative cost.

DEPARTMENT OF CORRECTIONS AND
REHABILITATION
Use of Force

Existing Section 4040.0, Article 3, Title 15 of the California Code of Regulations (CCR) pertains to the use of restraining devices on wards for security purposes in parole and institutional operations. Subsection (b) states that only reasonable and necessary force shall be used but does not define what is meant by "reasonable" or "necessary". This emergency regulatory action is both broader in scope and more specific and is intended to specify and identify the circumstances as well as the amount of force that an objective, trained, and competent Correctional Peace Officer, faced with similar facts and circumstances, would consider necessary and reasonable, as prescribed by the Commission on Peace Officer Standards and Training, to subdue an attacker, overcome resistance, effect custody, or gain compliance with a lawful order. The proposed regulations are also intended to establish supervision, monitoring, and evaluation of force deployment.

DEPARTMENT OF FOOD AND AGRICULTURE
Gypsy Moth Eradication Area

This regulatory action adds Santa Barbara County and Orange County to the list of counties in 3 CCR 3591.6(a) proclaimed to be eradication areas for gypsy moth (*Lymantria dispar*). It provides authority for the state to perform control and eradication activities against this seriously destructive pest which devours fruit, forest and shade trees.

DEPARTMENT OF FOOD AND AGRICULTURE
Oak Mortality Disease Control

The Department of Food and Agriculture has an existing regulation which generally places various restrictions on the movement of specified plants and plant-related parts from certain designated counties within the State to prevent the spread of the fungus (*Phytophthora ramorum*) which causes oak mortality disease (sudden oak death). This certificate of compliance makes permanent the addition of three (3) new plants to the list of plants and plant parts covered and restricted by this regulation.

Diaprepes Root Weevil Interior Quarantine

This emergency regulatory action will add an approximately two (2) square mile area around the Carmel Valley area of San Diego County to the areas already under quarantine in the county due to the infestation of the *Diaprepes abbreviatus* (West Indian sugarcane root borer or *Diaprepes* root weevil). Parts of Los Angeles and Orange counties, as well as other parts of San Diego, are already established as quarantine areas for this purpose. This adoption would address a newly discovered infestation in the Carmel Valley with a 1/2 mile buffer zone.

SECRETARY OF STATE

HAVA Statewide Voter Registration Database

The Help America Vote Act of 2002 (HAVA) in 42 U.S.C. 15483 required each state with voter registration requirements for elections for federal office to imple-

ment, through the chief state elections official, a single, uniform, official, centralized interactive computerized statewide voter registration list by January 1, 2004. Pursuant to a waiver pursuant to 42 U.S.C. 15483(d)(1)(B), the statewide voter registration list requirements became effective for California on January 1, 2006. This filing is a second readoption of an emergency regulatory action which had adopted interim provisions implementing such a list in California beginning January 1, 2006 but which had expired on August 8, 2006. Pursuant to these emergency regulations, for affidavits of registration submitted on or after January 1, 2006, if a registration record does not include a driver's license or state identification number, the elections official is required to determine whether a driver's license or state identification number is available through Calvalidator (an electronic process established to verify information with the records of the Department of Motor Vehicles). If so, the elections official is required to contact the applicant to confirm the driver's license or state identification number prior to entering the number into the registration record. This filing is also a readoption of an emergency regulatory action filed with the Secretary of State on April 24, 2006 which only requires the elections official to contact the applicant if Calvalidator identifies more than one individual who possess the last name, first name, and date of birth of the registrant. This filing also contains a change in that when the elections official is unable after reasonable attempts to contact the applicant to verify a California driver's license or state identification number or social security number on a new affidavit of registration, the elections official shall go ahead and generate a unique identification number.

Leroy F. Greene School Facilities Act of 1998 — AB (Goldberg)

This regulatory action implements and makes specific Education Code 17071.75, which was amended by AB 491, Chapter 710, Statutes of 2005, to define levels of high pupil density and allow eligible school districts to utilize an Alternative Enrollment Projection method to generate additional eligibility for School Facility

Program new construction projects. These regulations define some applicable terms, describe the application process and what districts must submit to support their enrollment projections using this new method, and describe both how eligibility will be determined and the limitations of funding.

Sections 1859.202 and 1866 were not part of the original emergency action, but were approved in this action as changes without regulatory effect pursuant to 1 CCR 100.
